July Quarterly Report (5/15/14 - 06/30/14)

Dear Mr. Matheson:

This letter is in response to your request for additional information concerning the 2014 July quarterly report of receipts and disbursements filed by Matt Miller for Congress (the 'Committee').

You noted that the Committee is in receipt of contributions designated to the Primary 2014 election, which were received after the date of the Primary election. The Primary election was held in California on June 3, 2014.

After review of its records, the Committee has identified two such contributions received on June 4, 2014. With respect to both contributions, the contributor had relinquished control of the contribution in advance of the Primary election date. Per 11 CFR 110.1(b)(6)), the Committee retained postmarks and proof of mailing which indicates such. Specifically, the contribution from Joyce Arad was postmarked May 28, 2014, and the contribution from Forest City Enterprises FOCUS PAC was postmarked June 2, 2014.

Based on the postmark documentation, it is the Committee's understanding that it may retain these contributions for the 2014 Primary election.

We hope that this clarifies this matter. If you have any additional questions, please don't hesitate to contact me at your convenience.

Sincerely,

Shelly R. Moskwa
Treasurer
